

Our Horse Tooth Files are the thing. Made in many different styles. Write for particulars and discounts.

A TIMELY TALK ON TOOLS.

THE FITZSIMMONS TUYERE

has lots of good points, lots of users, lots of endorsers. There are many tuyere irons on the market, but none give as much satisfaction.

The Freeport Foot Power Hammer

Lightens lots of hard labor for the blacksmith, leaves both of his hands free, has a wide range of work, is very simple in construction and operates with surprising ease, and the Price is Right. Four pairs of dies go with each machine. We can furnish special dies to order.

The Arcade Riveter.

For repairing harness, belting, etc., is simple, useful, durable, cheap. A money-saver and a convenient tool.

DON'T TURN the page till you have looked at the **New Idea Currycomb**. It's just what the name indicates, and a great improvement, too. We are looking for agents.

WRITE TODAY.

A Hurricane

won't blow it out. Handy indoors, outdoors, in shop or home. It's a lantern that is simple, safe, ready, reliable and cheap. We call it the

Economy

Lantern.

You can find no end of uses for such a tool.

A surprising number of blacksmiths are ordering Freeport Hammers.

Weights 13 pounds. Jaws open 2 inches.

For 25 Cents

You can have our Amateur Vise. Made of the best cast iron.

HERE IS WHERE WE MAKE THEM.

View of Plant of the

Arcade Manufacturing Co.

Freeport, Illinois.

This is the Chicago wagon Jack, often imitated, never equaled. Write for particulars and price.

FISH SPEARS.

We make a dandy 5-prong spear, iron head, steel

prongs and shank with sharp thread to screw into wood handles. Length, 20 inches.

Here is the most convenient barb wire carrier on the market. It is made of steel and will not break.
